## **Prof. A. DAMODARAM**

### **Vice-Chancellor**

**01-04-2018 to 31-10-2018**

#### **FOREWORD**

I am pleased to report on our performance and achievements during the academic year 2018-19. The past year was one of transformation and positive development for the University. The University has reorganised its academic structure aimed at embedding excellence, further enhancing our teaching and research capabilities and offering a distinctive world-class student experience.

Plans are well advanced across campus for enhancements to our Information Technology (IT) infrastructure, new state-of-art teaching and research facilities and other initiatives to positively impact the student experience.

We are now implementing our new initiatives and looking to the future with a great deal of excitement and optimism. Society is changing rapidly in many ways which will have a profound impact on the roles of Universities. In this changing world, knowledge will remain a key resource around the globe. The dynamics of the fast-changing world urges the academicians to give the right impetus for making life-long learners out of students.

The horizons of professional activities are expanding, and hence today there is a greater scope for the students to present their talents and achievements. Since technical

education in our country has become quite dynamic and competitive, we have to be ready and equipped with the required abilities and capacities to acquire the latest knowledge through newer technology.

I would like to thank my predecessors, Teaching staff, non-teaching staff, Research students and students for their support during my stay here.

With all wishes.

**AVULA DAMODARAM**

**PROF. G. JANAKIRAMAIAH**

**In-Charge Vice-Chancellor (01-10-2018 to 02-02-2019)**

**FOREWORD**

Healthy people, resilient societies, prosperous economies, a secure planet and innovative technologies will be at the heart of tomorrow's world, and our framework outlines the steps we will take to address some of the most pressing issues we will face in the next decade.

We are proud to be a community institution and I would like to thank our staff, students, graduates and many friends in the community for their ongoing support, commitment to our success and involvement.

By year end the University had completed this significant, yet vital, change process successfully. We are now implementing our new structure and looking to the future with a great deal of excitement and optimism. Our focus in the year ahead will be on the formulation of our education strategies and on the relationship between our teaching and research missions.

Achievements are the result of an uncompromising commitment to excellence across the board and to the professionalism, creativity, and innovation of the University staff, non-teaching staff, research students and PG Students.

I congratulate all the concerned for the nice progress reported and thank everyone for their support during my tenure.

**PROF.VVN. RAJENDRA PRASAD**  
**Vice-Chancellor (03-02-2019 TO 31-03-2019)**

**FOREWORD**

This great institution has got a rich tradition and legacy. I accepted this responsibility with a deep sense of humility. My Vision is to transform this University into a world class Institution. The task ahead for us is too great for any individual to accomplish but together as a team we can achieve it.

Education is about much more than employability. It includes evolving with a different view, developing different perspectives and opening your mind to the enormous possibilities, and ultimately emerging as world class human resource. The students are to be given counselling and guidance and instilled with virtues and values of life through various programmes within their curriculum, so that the students emerge as citizens with moral, ethical and social values so to fulfil their obligations to the society and nation.

The staff must engage themselves in improving the teaching – learning process through innovative practices in order to equip the students with the required competencies. The other major area where the faculty should concentrate is research. The research function of academics remains as a prime source of knowledge. Knowledge generated by research is the basis for progress and economic development of any Country. Much stress will be paid on encouraging research in the academic arena of the University so that their contribution in their respective fields will be useful for the future generations.

I appreciate the magnitude of work reported in this annual report and I congratulate all the concerned for the good progress.

A brief report on the Perspective plan of the University as implemented and as envisaged for the next three years:

### **VISION OF THE UNIVERSITY:**

- To impart quality education by revamping curriculum to suit the societal and industrial needs
- To establish Centres of Excellence in Research
- To promote Research and Academic collaboration with National and International Organizations
- To take up community development programmes through “University-Industry-Community

### **The mission of the University:**

To develop qualified and competent citizens through teaching and training, expand the horizons of knowledge through research, to lend knowledge and support to various organisations for their efficient functioning, to contribute to the creation of a happy and healthy society through fruitful interaction with it, and to participate in the development of the society.

The University has made rapid strides in the field of higher education & research and adjudged as one of the best Universities in the Country. Recently, Sri Venkateswara University reaccredited with NAAC A+ grade. SVU research output is very satisfactory and has crossed the mark of excellence as reflected through Scopus h-index of 48, and it proves in rankings: Sri Venkateswara University secured 122 Rank among the top 300 Universities and stood No.1. in Andhra Pradesh in QS BRICS University Rankings – 2018. S.V.University secured 223 ranks in entire Asian Continent, and the First rank in the Southern States of India in QS Asian University Rankings – 2018. SVU secured 42nd rank in NIRF-2017 in the University rankings. There has been vibrant development for the past two years in the University and efforts are being made to make it as a world-class University with complete digital Technology. Several steps are initiated to march forward in the direction of a world-class University during the last two years and envisaged the perspective plan for the next three years.

Every University should have a comprehensive plan to achieve the goal. To become World class University, one has to look for the following:

- A clear brand with international recognition.
- Comprehensive excellence in teaching, research, staff, facilities, leadership and governance.
- Innovative research with global partners that address global problems.
- Global distribution of teaching and learning.
- A significant percentage of International staff and students.
- Close interactions with global business.

Several steps have been initiated in this process.

- International Branding:

The University for the first time participated in the global rankings like THE (Times Higher Education) world rankings in 2017 & 2018; QS( Quacquarelli Symonds ) world rankings in 2018 and also NIRF (National Institutional Ranking Framework) in 2016;2017. SVU has excelled in all the International rankings surpassing the counterparts in all the field. This has put SVU on the International map and identified as the best 20 Universities in the country. A world-class interactive website for the first time created which interface the University with the external world. SVU through Digital Education Eco System aspiring to reach nearly every corner of the world. An exclusive Division for International relations has been created for the first time to promote international branding and foreign student admissions. Many International institutions entered MoU with SVU, and it is expected to have several international students in the next academic year. Several programs have been identified in the next 2 to 3 years to have international faculty and international collaboration in research. It is planned to represent SVU in reputed international events.

### **Comprehensive excellence in teaching, research, staff, facilities, leadership and governance:**

Well qualified teaching and non-teaching staff are the strength of the University. SVU excel in this area with 52nd rank in BRICS countries regionally. CAS interviews were conducted for the staff which were pending for quite some time. Promotions for the non-teaching staff is made and their salaries have been increased and several measures were taken for their welfare being and governance. In the process of providing better facilities to students, Construction activities like one additional floor in the Girls Hostel, one additional floor in the Boys hostel H-block, I-block and renovation of Gurukulam Block were completed. Accommodation provided for 1500 students. New Building for Natural Sciences Block was inaugurated on 27th January 2016 by the Hon'ble Chief Minister of Andhra Pradesh. Foundation Stone for School of Economics Building was laid by the Hon'ble Chief Minister of Andhra Pradesh on 27th January 2016. Foundation Stone for New Academic Block of SVU College Engineering was laid by the Hon'ble Chief Minister of Andhra Pradesh on 27th January 2016. Foundation Stone for Boys Hostel was laid by the Hon'ble Chief Minister of Andhra Pradesh on 27th January 2016. Provided Wi-Fi connectivity in the entire campus, Biometric facility with Aadhar linkage CC cameras through Tender is in progress. Upgraded sports & games facilities with 1 Crore rupees. Initiated to develop S.V.University Stadium with 5 Crore rupees.

For more transparency in the administration, leadership in governance, Automation of examination section, finance department, College affiliations, Research & Development, International Relations, Alumni Relations were made for the first time. Created Directorate of Research and Development to strengthen research facilities and collaborations. Created Directorate of University International Relations and Alumni matters to have collaborations with highly reputed Foreign Universities and to strengthen alumni activities. Created

Directorate of Academic Audit to strengthen the academic, affiliation procedures and to ensure the overall quality improvement of the affiliated colleges of SVU. Created Directorate of "Empowerment of Women and Grievances" to promote a culture of respect, equality, inclusive Women's right and welfare for female gender and to solve the grievances of women community. Created Directorate of "Industry Institute Interaction, Placement and Training" to strengthen the interrelationship between Industries and University and to handle all aspects of placements to students. Created Directorate of Innovation, Incubation and Entrepreneurship. Strengthened the UG & PG Courses (curriculum) by implementing Choice Based Credit System (CBCS) from the academic year 2016 at SVU and its affiliated colleges. University initiated automation in the Academic and Examination branches from the A.Y. 2016. Provided coaching classes for "Entry into Services" to 500 students belong to all categories of SVU campus. From 01-02-2016 to 20-03-2016, Timings: 06:00 AM to 08:00 AM and 06:00 PM to 08:00 PM. Initiated to upgrade the facilities for S.V.U Campus School and to enhance the quality teaching. A.Y: 2016.

Organised Indian Economic Association conference in Dec 2016. Reputed Economist participated, and Chief Minister of Andhra Pradesh Inaugurated the meeting, and about 2000 delegates participated. Organised prestigious 104th Indian Science Congress from 3-7 Jan 2017. The Prime Minister of India inaugurated the Congress, and about 15000 delegates participated. All India Vice Chancellors conference was organised during 5-7 Feb 2017, wherein 300 Vice-chancellors and Higher Education administrators all over the country participated.

Besides strengthening the existing curriculum, steps are being taken to introduce new courses like Cyber Security, Space Sciences, Energy Management, Event Management, Interior Design, Retail Management, Logistics and Supply Chain Management.

- Innovative research with global partners that address global problems.

University receives funding from Government of India funding agencies for sponsored research projects and fellowships to students. University also earns money through consultancy projects. During the last two years to have a comprehensive understanding of the research quality, a separate Dean for Research and development is created and subscriptions for the SCOPUS, WEB OF SCIENCE and Indian Citation Index are made for the first time. SVU most robust component is its research. A number of papers published per faculty and number of citations per paper are ranked 72 & 70 out of 300. This is quite a good achievement. A total number of papers published(normalized) is 2855 and a total number of citations( including self-citations) are 11319. PhD admissions guidelines are revised and streamlined. A dedicated website is created for the first time to Research and Development. Individual research blogs are given to each scholar, and all the details of the scholars are kept on the website.

For its credit, SVU clinched the prestigious “UGC-Centre with Potential for Excellence in particular area” (CPEPA) competing with 118 proposals through out the country for the first time in its history. Inter-disciplinary research in the area of climate change is identified as thrust area involving five Departments are identified with UGC-CPEPA scheme with an outlay of Rs.499 Lakhs.

First time an advisory board for research and development has been created to envisage the future requirements. SVU-FICCI-NKFH is created for the first time with industry interaction. Six spoke institutions are identified and a model industry-institute training will be provided to staff and students.

DST, GOI, New Delhi has sanctioned 1700 lakhs in the phase-II up to 2021 under DST-PURSE(Promotion of University Research and Scientific Excellence) Programme and established DST-PURSE Centre to cater to the needs of the research in the Rayalaseema region of Andhra Pradesh, based on h-Index value.

Established 15 advanced states of art laboratories under SIEMENS Center of Excellence with worth of 300 crores. The labs of International standard and will provide training to students of different universities and institutions.

SVU College of Engineering is identified with TEQIP Phase – III grant with an outlay of Rs.700 Lakhs.

12 Departments are identified with DST-FIST scheme with an outlay of Rs.560 lakhs.

#### **UGC-CAS funding:**

- Department of Physics received Rs.281 lakhs under (Level II) for five years w.e.f.April2015.
- Department of Anthropology received Rs.60 lakhs.

Major Research Projects from several funding agencies such as DBT, DRDO, ISRO, CSIR, ICMR, MOEF, etc., with a total outlay of Rs.1800 lakhs.

The students belonging to socially and economically backward communities and those who are economically poor get State and Central Government Welfare Scholarships. Fellowships and Scholarships are offered to research students of the campus by the University and also by the UGC, CSIR, DAE, ICMR, ISRO, ICAR, ICPR, ICHR, ICSSR, DST, DRDO, SRNS and Rashtriya Sanskrit Sansthan.

The University central library is the major resource centre that provides information for research students and faculty. It provides unlimited access to the UGC INFONET e-resources and e-journals through UGC INFONET Digital Library Consortium. The library is kept open from 8.00 am till 11.00 pm on all working days and from 10.00 am to 5.00 pm on Sundays and public holidays besides the addition of latest books related to both teaching and research in the main library, most of the departments have developed departmental

libraries by utilizing the grant from the University or from special assistance received from funding agencies like UGC, DST, etc. A Digital Library for PhD Theses submitted to the University has been designed using DSpace, an Open Source Software developed by HP and MIT, USA. 3,000 PhD Theses have been digitalized and uploaded to the Shodhganga database. This gives easy access to the PhD theses and research documents.

The university provides residential facilities to research scholars, Post-Doctoral fellows and other researchers in the hostels specially earmarked for them on the campus. Summer fellows, research associates, visiting scientists and faculty researchers from other universities and academics are provided accommodation in the university guest house and Academic Staff college guest house. The university campus is completely Wi-fi connected. The university provides computer and uninterrupted internet facilities for research students, fellows as well as faculty on the campus in all the blocks and laboratories. Direct internet facility and common internet hubs are set-ups near the hostels and quarters on the campus to provide internet access free of cost.

#### **Future perspectives:**

- SVU-FICCI-NKFH centre of excellence will be established within six months with industry collaboration.
- Centre of excellence in Material science in the Department of Physics will be established with RUSA grants of 30 crores.

2. About the University

2.1 Historical background

2.2 Establishment of the University – Act

**SRI VENKATESWARA UNIVERSITY ACT**

Sri Venkateswara University is governed by the Sri Venkateswara University Act 1954 with necessary amendments made from time to time by the various Andhra Pradesh Acts connected with it. (For details of these amendments vide next page).

The latest amendment applicable to other Universities in the State also was made by the A.P. Act No. XIII of 1995.

The amendment of the Act came into force from 21-02-1995 as per the G.O.Ms. No. 43 Education (U.E.1-2) Department dated 21-02-1995. Till then the Board of Management functioned as the Governing Body of the University with all the provisions enshrined therein. Though the name of the governing body is changed into the Executive Council the constitution of the Executive Council actually took place on 22-04-1995. The salient features of the Act No. XIII of 1995 are:

1. The constitution of the Executive Council (in the place of the Board of management) with six ex-officio and nine nominated Members (one senior Professor of the University Colleges, one Principal of the University Colleges, one Principal of the Affiliated Colleges, one teacher from among the teachers of the University Colleges, one teacher from among the teachers of Affiliated Colleges, and four eminent persons representing Industry, Agriculture, Trade, Commerce, Education, Public Life, Legal Profession, Social Work, etc.,)
2. Every Member of the Executive Council other than Ex-officio Members shall hold office during the pleasure of the Governor.
3. The Executive Council shall meet at least once in three months and may meet often if necessary.
4. Upon a requisition in writing signed by not less than one-third of the total number of Members of the Executive Council, the Vice-Chancellor shall convene a meeting thereof on a date specified by him which shall not be later than seven days from the date of receipt of requisition aforesaid.
5. In the absence of the Vice-Chancellor from any meeting of the Executive Council, the members present at the meeting shall choose one among themselves to preside over the meeting.
6. The quorum for the meeting of the Executive Council shall be one-third of the total number of the Members or six persons, whichever is less.
7. For the words “Board of Management” wherever they occur, the words “Executive Council” shall be substituted.

However, the norms concerning the Academic Senate remain, as per Act No.4 of 1991).

**2.3 Jurisdiction of University:**

Sri Venkateswara University has the Jurisdiction over 140 U.G. Colleges (both Aided/Unaided/Govt. Colleges) and 63 Professional Colleges spread over the different centres of Chittoor District besides one Campus Engineering College and Five Campus Colleges within the Campus offering P.G. Courses.

## A DESCRIPTION

The Wheel (CHAKRAM) at the top, in Hindu Mythology, is the characteristics weapon of **Lord Sri Venkateswara**, an incarnation of Vishnu, and it is intended to connote that this University is named after Him.

The Heraldic elephant heads and the lotus below the wheel which are taken from the crest of the University of Madras, are intended to connote that Sri Venkateswara University is an offspring of the former, in the sense that a portion of the area which had earlier been in its affiliation is brought under the latter's jurisdiction.

The Lower portion, in the symbolic form of hills, is intended to suggest the “**Seven Hills**” the abode of **Lord Sri Venkateswara** with which Tirupati is identified

The MOTTO ज्ञानं सम्यावेक्षणम् means :

“Wisdom lies in correct perspective”

(సమ్యక్ దర్శనమే జ్ఞానం)

ధ్వన్తమో చిత్రువాశస్య : యోగో జ్ఞానం చ రాఘవ :  
యోగస్త దృతి లీధిషా : జ్ఞానం సమ్యగ వేత్తనమ్ ॥

**3.6 IQAC**

**Director: Prof. G. Prabhakar**

**Internal Quality Assurance Cell (IQAC)**, was established in Sri Venkateswara University on 05-12-2003, as the University sought accreditation for the first time from NAAC. Since then, IQAC is functioning as per the guidelines suggested by NAAC, from time to time.

The functions of IQAC are to collect information from all the departments for preparation of reports, student / parents feedback, maintenance of data bases, dissemination of information on quality etc., Specifically, the IQAC computerized most of the routine work and created appropriate data base. IQAC has been assisting in the preparation of Activity Diaries, of the University and conducting workshops for college teachers on new curriculum. UGC has allocated a grant of Rs. 5.00 lakhs to strengthen the IQAC. (F.No.20-1-2009, dated: July 2009).

IQAC submits the **Bench Marks and Best Practices** every year to NAAC along with AQAR (Annual Quality Assurance Reports) and to UGC as well. "Students Feedback on teachers" of S.V. University is being obtained **online** and the reports are communicated to individual faculty, to improve their teaching, and also to the University authorities for counseling the teachers. IQAC plays a crucial role in improving the quality in teaching, research and extension activities. IQAC conducts programs to motivate the faculty towards research.

**IQAC- Vision**

- To enhance the quality of teaching and learning in S V University through a combination of quality evaluation, promotion and sustenance of Academic and Administrative Activities.

**IQAC-Mission**

- To improve quality of teaching, research, extension and administrative activities
- To play active role in the preparation of performance indicators of faculty.
- To design and maintain central data of various academic and administrative wings.
- To act as nodal centre for statistical information.
- To organize periodical meetings for faculty and students on quality parameters.
- To improve the quality of preparation of AQAR reports.
- To continue the unique online submission of feedback from students on teachers.
- To organize online examinations.
- To obtain feedback of students on course programme (syllabus)
- To motivate the Teachers. HODs, BOS, Principals, Directors, Co-ordinators regularly to improve teaching quality.
- To stimulate research environment for promotion of quality publications with high impact factor and 'H' index.
- To collaborate with all stakeholders of S.V. University.
- To arrange periodic assessment through various feedbacks from stakeholders.

**3.11.7 Other Centers if any – Brief Report**

**ORIENTAL RESEARCH INSTITUTE**

Sri Venkateswara Oriental research Institute was started in July, 1939 by the Management of Tirumala Tirupati Devasthanams with a view that it should be a first-rate Research and Training Centre with appropriate division for the study of Sanskrit and other languages of the Hindu religion and philosophy and of Hindu culture generally. Under the management of Tirumala Tirupati Devasthanams, the Oriental Research Institute published sixteen volumes of the Oriental Journal and about sixty-four books in Sanskrit (20), English (8), Telugu (19), Tamil (17) under three series named Sri Venkateswara oriental series, Sri Venkateswara Oriental Journal Institute Studies and Sri Visistadvaita Sampradaya Granthamala, covering the areas of Kos, Dharma sastra, vyakarana, Scientific lectures like Mathematics, Saiva, Vaikamal and Pancharatra Agamas, Vedanta, Kavya, Stotra and Psychology. The Bharakatakosa by M.R. Kavi and the history of Sanskrit Literature by M. Krishnamachariar Published from this institute have become indispensable basic tools of research in Sanskrit Literature and literary criticism. The Tenth all India Oriental Conference in 1940 and the fourth session of Sanskrit Visva Parishat in 1995 were held in Tirupati under the auspices of the institute. When the Sri Venkateswara university was established, for the encouragement of higher education and research in all branches of learning, particularly on Oriental learning, Sanskrit ancient India Arts and Culture, Architecture and Fine arts, Tirumala Tirupati Devasthanams handed over the Institute on the 1<sup>st</sup>, November 1956, with a view to promote its activities in a broader perspective with well qualified research staff. With limited resources and merges staff the institute continued to function with same zeal and aspiration with which it was started and could publish 43 volumes of Oriental Journal and 30 books, in English (3), Sanskrit (15), Telugu (10) and two volumes of the Descriptive catalogue. A seminar on Andhra's Contribution to Indian Culture was held in March, 1972 and a national seminar on the eve of Centenary.

#### **Celebration of Bhagavan Raman Maharishi was conducted on 20-08-1997.**

In 1979, the institute moved to its own new building. It was named "Tiruppan Lalwar Bhavan" in sacred memory of saint Tiruppan alvar who sang in praise of Sri Vishnu in the ninth century A.D. The library of the institute contains 17, 038 manuscripts and 43,000 printed books. Each book in the Library is purchased selectively on consideration of its utility in the research activities of the institute covering all the fields of Indian tradition. There is a binding section to repair damaged books. But many of the books in the old collection are irreparable, as the paper became very brittle and got damaged. So the Library is run on closed access system. All possible facilities are provided for the bonafide research scholars and learned public to consult the books in the reading room.

#### **2. UNIVERSITY SCIENTIFIC INSTRUMENTATION CENTRE**

University, Tirupati functioning since 1990, was established to strengthen and promote the Third Dimension of Higher Education –Extension through Teaching, Research and Outreach. Today, Extension along with teaching and research is one of the goals of the University system. The extension and outreach activities for creating awareness and dissemination of knowledge to the rural people have been made mandatory in higher educational

institutions. A comprehensive plan of action for community development programme has been chalked out involving the students and staff of Centers. Various programmes are planned and organized where in expertise of related departments are utilized. The community development programme is planned to initiate student participation in line with the welfare of the community at large. The extension and outreach programme for the community is a continuous process throughout the academic year. The centre undertakes extension and out reach activities by utilizing the expertise of various departments of the development of needy communities. A number of programmes like awareness on Health and Hygiene, Population Education, Social Empowerment of Women are regularly conducted by this centre.

### **CENTRE FOR WOMEN'S STUDIES**

The Centre for Extension Studies initiated the "Centre for Women's Studies" in 2007 with focus on women's development, equality and justice. In 2009, UGC approved and sanctioned financial assistance to the Centre and thus the Centre for Women's Studies was established in S.V.University. The Centre aims to sensitize the students on various women's issues and trains them in enterprise and Management of innovative technologies, and specifically to increase women's visibility in teaching, research & management in the University by enhancing their competencies, build a platform for Women's Equality and Rights and establish Gender Justice in the Civil Society.

The course focuses on significant components viz., Women and Development, Gender friendly Management systems and Business Administration with gender perception, training in skill development and capacity Building. Participatory and Interactive approach is adopted in teaching. Placement Assistance Programme is also in-built in the course programme.

### **6. THE CENTRE FOR RURAL DEVELOPMENT AND APPROPRIATE TECHNOLOGIES**

The centre for Rural Development and Appropriate Technologies (CeRDAT), Sri Venkateswara University, Tirupati aims at improving the quality of life in villages through demonstration, construction, manufacture and marketing, teaching and training, extension, and research activities. The main areas of thrust for the Centre are low-cost housing, drinking water, sanitation and alternate sources of energy. CeRDAT aims to be nodal agencies in the region to disseminate appropriate technologies into villages through governmental and nongovernmental organizations. CeRDAT also aims at co-coordinating all the activities in the University pertaining to rural development.

An appropriate technologies park has been started in the University during 1991, with a funding from the Ministry of Human Resources Development, Government of India. In addition to offering a one year post Graduate Diploma in Rural Development and Appropriate Technologies, the centre has been offering training programmes to different target groups like engineers, masons, potters, unemployed rural developments who get exposed to different appropriate technologies demonstrated in CeRDAT. H.U.D.C.O. has sponsored a Building Centre under the Lab to Land programme.

In technical collaboration with Development Alternative, New Delhi, a demonstration building comprising appropriate technologies like Rat Trap Bonding, filler R.C.C. slab, ferrocement roofarches

and doors, brick dome etc., was constructed. Models of drinking water mud filters, low-cost latrine with twin pits, biogas plants, smokeless stoves, solar cookers, solar lantern, Pabal Dome etc. are available in the centre for demonstrating and imparting training. Machines to manufacture sand-cement blocks both manually and electrically, micro-concrete roof tiles, pressed mud bricks are available in the Centre. The Centre has a micro-fische library with details of many appropriate technologies available around the world. The Centre has organized several training programmes and conducted Gramsabhas in villages to take these technologies to the doorsteps of the masses. Three workshops and one seminar were organized with the assistance of state and central government agencies.

Prof.G.Ramprasad was instrumental in establishing this centre and gave an impetus to the theme of university – society interaction. Dr.K.Nagendra Prasad has recently taken over the charge as the co-ordinator of this centre.

## **7. CENTRE FOR MARTIAL ARTS AND SPORTS**

Realizing the importance of self-defense and in making people to become disciplined and hold their temperaments within control, the Centre for Martial Arts & Sports (CMAS) has been established in 1994 in S.V. University for the benefit of students and others interested in such self-defense.

One of the many problems encountered by the society today is the lack of adequate safety for women. Under this backdrop, there exists serious protection concerns for the college girls, working Women against the men who molests and attacks a female for various purposes that includes crime, anger, robbery or sexual lust. Women who could be trained in self-defense techniques are able to face the situations like these with high degree of confidence. Karate-do (self-defense) training makes an individual fearless in the face of any danger physical or mental and makes her a fuller confident person. Men can also join these classes to protect their family members too.

Karate-do (self-defense) training has no limit of sex or age young girl students whose bodies and mind are agile make remarkably fast progress. Karate practice is easily learnt and performed by young boys/girls of any age, environment, health condition and physical handicaps.

Renshi Dr. G. Sudarsanam (5th Dan black belt, Professor of Botany, S.U. University) by the direction of our Hon'ble Vice – Chancellor Prof. W. Rajendra started "Special training programme on self-defense" for the benefit of employees, working women and students. This training supports in overcoming or overpowering a wide variety of societal menace through such healthy practices in our Campus for the well-being of our girl students and women in their self-defense activities. Anybody who has got a willing mind and determination can enjoy with little patience the efforts of these age old art of the orient. Benefits, one has achieved by the practice of this Art are healthy body, strong character, power of concentration and co-ordination of reflexed, discipline and calm attitude with respect for authority.

## **8. CENTRE FOR MARTIAL ARTS AND SPORTS (CMAS)**

CMAS, S.V.University - Empowering women students through Women students Hobby Center for self defense with a special Programme for women students to relieve stress, get and stay in shape, and learn valuable self defense skills at the same time. Our program blend a great physical workout with practical real-life self defense techniques and thus ideal for women. We provide realistic, effective self-defense training for today's busy women.

Even in this modern era, violence against women students in common. So women students should practice the techniques of self defense. We are happy to announce that the CMAS, S.V.University has a customized women's self-defense package for defense. Learning practical defense techniques in a safe environment from experienced and friendly martial arts instructors is obligatory on the part of women.

## **9. THE WOMEN STUDENTS HOBBY CENTER FOR SELF DEFENSE**

Belt Colors were awarded TO WOMEN STUDENTS at Karate Grading Tests on 28 April 2014. They recognize improvement in Karate Technique and they indicate progress. The purpose of

the belts is to provide the student with short-term goals that reinforce the long-term goal of earning black belt.

CMAS, S.V.University, Tirupati Martial arts are great as spectator sports and a good way to get fit, but they really come into their own when they are used in self-defense – undoubtedly the ultimate result for many of them. Karate special emphasis is placed on attack deflection. Most punches or knife lunges are performed straight toward you, Thus, step to the side, creating a lateral line toward the attacker's arm, strike the attacker's punch or knife hand, then quickly strike his lower side, belly, or back with your other fist.

This is why karate is a good self defense. Self defense Regardless of age, this is the number one reason people are drawn to karate. Feeling safe is important to everyone; no one likes to feel unsafe. Feeling safe is equivalent with feeling empowered. While it is dangerous to feel invincible the confidence that comes with knowing how to defend yourself and your family is empowering. Learning self defense is the equivalent with saying...No More! No more will I be a victim, pushed around because I feel I have no choice.

No more will I rush to my destination with my head down, a sinking feeling in my stomach. These are some of the descriptions I have heard over the years. Self Defense is a broad term used to describe any situation when we are attacked by an aggressor and choose to react with defensive measures. Guns, mace, pepper spray, screach alarms, pens, fists, anything that is handy can be referred to as a self defense tool. Many find comfort in carrying some or all of these self defense tools. We must be mindful that these are only self defense tools and as such require two things. First they must be in-hand, having a can of pepper spray in your pocket when you are attacked will have no effect on your attacker if you can not use it. The second requirement, understanding and experience. Without an understanding of how the self defense tool works and some experience using it the tool is as useless as a level to someone who knows nothing about carpentry. It is important that people understand these two requirements, many self defense programs advocate the use of these tools without making these facts clear. Unless you plan on carrying your self defense tool in your hand at all times it will be of little use, since most attackers do not announce their intentions.

Enter karate. Karate is the only self defense tool that is always in hand, why because the only tools in karate are your hands and your feet. Since it is doubtful you will leave home without these you will always have them ready! That answers the first requirement of a self defense tool. What about the second requirement? The answer, Training. Anyone who takes a short self defense course and does not practice and take an occational refresher course is defensless, worse they typically don't know it.

Self defense is a martial art. This is why karate is a good for self defense. Bear in mind there is a significant difference between a karate and self defense course. A self defense course is a crash course in basic techniques that if practiced regularly with periodic refresher courses is an excellent self defense tool. Karate is much more. A karate class provides a long term class structure designed so the student can all of the components of self defense and martial arts, theory, body mechanics, blocks, defenses, vulnerabilities and mental control. A karate class is much more because the student learns the material through much repetition and practice. Karate once learned can not be forgotten, it becomes a part of who you are.

Notice in the above passage when listing the components of a karate class the use of the word defenses, not attacks. Your attention is drawn to this because self defense, karate, the martial arts are not meant for aggression. To use any of these for agression is to corrupt their intended use and weaken yourself. A true karate-ka never initiates a conflict, physically, verbally, or mentally, they should and normally do however finish them. This mindset is important for true self defense.

## **10. CENTRE SELF-DEFENSE PROGRAMMES FOR WOMEN**

### **Origin**

Realizing the importance of Indian martial arts in the self-defense and in making people to become disciplined and hold their tempers within control, the Centre For Martial Arts & Sports (CMAS) has been established (1994) in the S.V. University college for the benefit of students and others

interested in the martial arts. Initially Summer training programmes were successfully conducted from 1994. Renshi Dr. G. Sudarsanam, 5<sup>th</sup> Dan Black Belt, Professor of Botany as the Director.

Special Self- defense (Karate) Classes for women employee's and students were organized by establishing "Self-defense centers for women" during XIth plan period at S.V. University. Our university has got more than 25 affiliated colleges and will extend this training facility to the girl's students of the affiliated colleges also.

#### **About our Renshi**

Our Renshi Prof. G.Sudarsanam has undergone vigorous training under the guidance of Renshi R.V.T. Mani, the founder of Budokai, madras during 1977-1982. He was awarded 1st degree black belt in 1983 from Renshi H.Gamini Soysa of Okainawa Karate-Do of Colombo, diploma in karate-do in 1984 from the great grandmaster dr. Rod Sacharnoski Soke of the world karate union of USA, IIInd degree black belt in 1984 from Renshi H. Gamini Soysa of Sri Lanka, another 2nd degree black belt in 1985 from the great grandmaster Hanshi Shugoro Nakazato (10th don red belt) of Okinawa of Japan and 3rd degree black belt in 1994 and 5<sup>th</sup> degree black belt in 2007. He has extensive experience in teaching, coaching and guiding students all over India.

### **11. MIDDLE LEVEL TRAINING CENTRE, DEPARTMENT OF HOME SCIENCE, S.V. UNIVERSITY**

Training is the most crucial element in Integrated Child Development Services Scheme (ICDS), the world's largest and most unique outreach programme, since the achievement of programme goals depend upon the effectiveness of frontline workers in improved delivery of packages under ICDS. At the National level, the National Institute of Public Cooperation and Child Development (NIPCCD) is an apex institution for ICDS training programme. At the state level, training centres engaged in training of ICDS Supervisors and Instructors of Anganwadi Workers Training Centres (AWTCs) are called as Middle Level Training Centres (MLTCs).

The Middle Level Training Centre (MLTC), S.V. University, Tirupati, was established in the year 1988 with the functional unit attached to the Department of Home Science and progressively continuing its services since 26 years and in support of Integrated Child Development. The S.V. University has facilitated the smooth running of MLTC by providing infrastructural facilities such as MLTC office, classroom, hostel facilities, Health care facilities to the trainees, transport facilities etc. The MLTC budget is routed through the GOI to State Directorate of Women and Child Development and to S.V.University.

#### **SAFF OF MLTC**

The Head of the Department of Home Science is the Co-ordinator of MLTC. Three Trainers specialized in Home Science (Food Science and Nutrition, Human Development and Extension Education) are the faculty of MLTC involved in the capacity building of the ICDS field functionaries in general and ICDS Middle Level functionaries i.e., supervisors, in particular. Assistant Accountant and typist-cum-clerk are the supportive staff.

#### **TASKS OF MLTC**

1. Organizing Training Programmes to ICDS Supervisors.
  - Job Training Course (30 days duration)
  - Refresher Training Course ( 7 days duration)
- 2 . Organizing Training of Trainers (TOTs) of AWTCs.
  - Orientation Training Course for the Principals/ Instructors (11 days)
  - Refresher Training Course for Instructors of AWTCs (7 days)
3. Monitoring the Anganwadi Workers Training Centres (AWTCs)
4. Observational Visits to ICDS Projects

5. Developing Modules/Curriculum/Reference material for ICDS training

S.No	Training Programmes (Upto may 2017)	No. of Batches	No. Trained
1.	Job Training Courses to ICDS Supervisors	49	1054
2	Refresher Training Courses	211	3421
3.	Training of Trainers	17	229
4.	Orientation Courses on Thematic Approach	11	269
5.	Orientation Courses to ICDS Statistical Assistants	1	24
6.	Workshops	9	390
	<b>Total</b>	<b>298</b>	<b>5,387</b>

During these long journey of 26 years, MLTC has organized 298 different need based training programmes and trained 5387 ICDS functionaries cumulatively (by May 2014) and contributed significantly for the skill development of ICDS functionaries.

The expertise and resources of the faculty members of various departments of S.V. University and others Govt. and NGOs have contributed significantly to MLTC training. The contributions of Department of Home science, to which MLTC is attached, is unmeasurable. All credentials of MLTC would have not been achieved over 26 years of long journey without unstinted cooperation and sharp administrative acumen of all the Coordinators of MLTC. An erstwhile experience of 26 years of ICDS training, highly qualified eminent trainers, accessibility of ICDS oriented resource persons, well disciplined academic atmosphere are deemed to be the strengths of MLTC.

## 12. INSTITUTE OF ADVANCED STUDY IN EDUCATION

As per 1986 New Education Policy (NEP) under the centrally sponsored scheme of "Teacher Education" by the Ministry of Human Development (MHRD), Govt. of India during IX plan, the Institute of Advanced Study in Education (IASE) S. V. University was established in 1998. The main purpose of establishing IASE is to uplift the department of Education as IASE, to improve the quality of Teacher Education & Secondary Education. To achieve the above objectives, IASE S.V.University conducted 5 pre-service batches with efficient training, 30 in-service training Programmes for Secondary School teacher (covered 3000 Teachers), 6 workshops in secondary school curriculum, 3 workshops on Guidance & Counseling at Intermediate level, Intel Maste Programme for Teacher Educators, Information technology Literacy Programme for Teacher Educators at Tirupati, Kurnool, Anantapur and Extension Programmes.

The Principal of the IASE is ably assisted by sixteen faculty members in teaching, research and extension work.

So far, three research projects have been completed and 12 seminars/ workshop have organized. 132 research papers and 25 books were published. The HRD Ministry sanctioned a grant of Rs.1.5 lakhs for further research in the institute.

## 13. ACADEMIC STAFF COLLEGE

The Academic Staff College was established in August, 1998 with a Motto 'Jnanayajnaha Sarvajajnothamothamha' and with the object to enhance motivation of teachers, develop professional competency, inculcate right kind of values and encourage innovation and creative work.

The Academic Staff College has a library, computer equipment, Xerox and audio- visual facilities to meet the requirements of the participants. The college conducted discussions on revision of syllabus and vocational courses to give feed back to the university and A.P. State Council of Higher Education.

## 15. DAY CARE CENTRE, DEPARTMENT OF HOME SCIENCE

A day care center takes care of babies below three years of age. The need for Day care center is being recognized with increasing women employed in S.V University and also in different sectors including educational institutions.

S.V. University has taken the initiative and has established the Day Care Center in the premises of "SVU Laboratory Nursery School" attached to the Department of Home Science under UGC XI plan merged scheme during 2005 to reduce the burden of working women of SVU as well as employed women of Tirupati town and to provide emotional and social support, stimulation and quality child care for children who have to spent time away from home.

### **OBJECTIVES OF DAY CARE CENTER**

To provide proper care and nurturing to young children who require attention and who have non-availability of parents during day time. Along with care and nurture, Day Care Centre also provides

- Intellectual stimulation
- Nutrition
- Health Care
- Activities for all-round development of young children and
- Recreation through play

### **16. STUDENTS RESOURCES CENTRE (SRC)**

The Directorate proposes to set up a Student Resources Center in 2005-03-6 to cater to the developmental needs of the students and to channelize their energies and resources in appositive and constructive manner.

This center would organize Human Resources Development Programms like personality Development, Coaching Classes for competitive examination like NET, UPSC, APPSC,GATE, Spoken English Classes to improve Communication Skills.

### **17. DISTRICT ENVIRONMENT CENTRE**

Teaching the youth the importance of maintaining ecological balance and ensuring sustainable development has become the new mantra on campuses across India. Environmental awareness is an integral part of the co-curricular activities of Education. By teaching our friends and family that the physical environment is fragile and indispensable, we can begin fixing the problems that threaten it. Environmentalism is an ideology that evokes the necessity and responsibility of humans to respect, protect, and preserve the natural world from its anthropogenic afflictions.

District Environment Centre (DEC), Department of Zoology, S.V.University was established in the year 2008 under the aegis of National Environmental Science Academy (NESAA), New Delhi. The main aim of this centre is; the students and faculty of the Department to participate in the Extension activities like promoting and propagating the environmental awareness among the students of School children, Degree College students and also the public in the rural areas as well as in the urban slum areas. Our students spearhead activities like reducing paper consumption, sapling plantation, creating awareness about environment friendly practices, etc. Inspirational and informative seminars were conducted to discuss man-made environmental issues, while also instilling a sense of hopefulness for the future in the minds of the people.

The Centre was started with 15 members Executive Committee comprises of academicians, NGO's and Journalists of Chittoor district with the Head Quarters in the Department of Zoology. The committee will chalk out different programs on Environmental awareness. Prof. K.Sathyavelu Reddy was nominated as Convener, Prof. A. Usha Rani and Dr. M. Rajasekhar of Department of Zoology as co- conveners. The following programs like starting Eco-club in the college, observation of International Environment day, World Food day, World Ozone day, International literacy day etc., were organized / conducted in different places.

### **18. UGC-SVU CENTRE FOR MST RADAR APPLICATIONS**

#### **DEPARTMENT OF PHYSICS, SVU COLLEGE OF SCIENCES**

**SV UNIVERSITY, TIRUPATI – 517 502**

**DIRECTOR: Prof. S. Vijaya Bhaskara Rao**

To create scientific awareness about the potential use of the sophisticated radar and other instrumentation facilities for advanced research in the area of Atmospheric Sciences and to attract bright and young researchers to make use of the MST Radar, Lidar and other co-located Facilities available at NARL, Gadanki, The University Grants Commission (UGC) has established an UGC-SVU Centre at S.V. University, Tirupati. it serves as a common platform for the University system in India for the exchange of scientific knowledge and the centre is accessible to scientist and researcher from Indian Universities working in the area of Atmospheric Sciences.

## **II. ADVANCED CENTRE FOR ATMOSPHERIC SCIENCES, DEPT. OF PHYSICS**

**Co-ordinator: Prof. S. Vijaya Bhaskara Rao**

To promote space science activities in the country and to develop man-power in the area of Atmospheric sciences, Dept. of Space, Government of India has established Advanced Centre for Atmospheric Sciences. An M.Tech program in Space Technology and Applications is also supported by ISRO.

## **19. CENTRE FOR PURSE**

Sri Venkateswara University has been ranked 22<sup>nd</sup> in the country based on the research publications and hi-index in biological and physical sciences. In this connection, the Department of Science & Technology, GOVT of India, New Delhi has sanctioned “Promotion of University Research Scientific Excellence (PURSE)” Programme with an incentive grant of Rs. 9 crores to promote research and development. The DST-PURSE project was sanctioned to S.V. University on 18<sup>th</sup> November, 2010 and the Vice-Chancellor of S.V. University, Tirupati has accepted the same. The Project Implementation Group consisting of 9 members are appointed under DST-PURSE Programme.

<b>S.No.</b>	<b>Name and Department</b>	<b>Position</b>
1.	Prof. D.V.R. Sai Gopal, Department of Virology	Co-ordinator
2.	Prof.K. Yellamma, Department of Zoology	Member
3.	Prof. K. Thyagaraju, Department of Biochemistry	Member
4.	Prof. V. Padmavathi, Department of Chemistry	Member
5.	Prof. O. M. Hussain, Department of Physics	Member
6.	Prof. I. V. Ramana Reddy, Department of Civil Engineering	Member
7.	Dr. T. Vijaya, Department of Botany	Member
8.	Dr. K. V. Sucharitha, Department of Home Science	Member

The Manpower to work under DST-PURSE Programme were appointed as follows:

S.No	Name of Post	No. of Posts	Disciplines wise posts
1.	Research Scientists	2	1- Physical Science 1-Biological Science
2.	Maintenance Engineer	1	Engineering
3.	Senior Research Fellows	2	1- Physical Science 1-Biological Science
4.	Junior Research Fellows (NET Qualified candidates)	5	2- Physical Science 3-Biological Science
5.	Computer Programmers / Data Entry Operators	2	Computer science
6.	Lab Technicians	2	1- Physical Science 1-Biological Science
7.	Lab Assistants	2	1- Physical Science 1-Biological Science
8.	Short Term Project Assistants	26	11- Physical Science 15-Biological Science

The Research activities are integrated with other Departments of SV University – Virology, Botany, Biochemistry, Biotechnology, Zoology, Physics, Chemistry and Home Science. The Research objectives of the DST-PURSE Programme are being carried out in different areas of Physical and Biological Sciences in respective departments. The main objectives of the programme are Physical Sciences – Material research for the development of micro and nano devices; Biological Sciences – Biotic and Abiotic molecules and their health effects and Therapeutic applications. The present research activities are as follows: green synthesis of nano particles and applications, antiviral activities of various bio-molecules by In vitro against certain human and animal viruses, isolation and screening of compounds from herbal origin for anti diabetic and anti hyperlipidemic activities; Synthesis, characterization and evaluation of antioxidant activities of novel molecules, Insilico analysis of cancer susceptibility genes, optimization and production of enzymes by using micro organisms through solid state and submerged fermentation, transgenic approach for heavy metal detoxification through plants, development of biogenic processed foods from prickly pear fruits, impact of herbal compoundas and microorganisms on neurodegenerative and behavioral studies in animal models, comparison of different immuno – histological biomarkers in breast cancer patients. Physical sciences - Micro structural and electrical and optical chemical properties of various thin films, ion doped sodium – lead borophosphate lasses for red source laser applications, substrate bias influenced physical behavior of nanocrystalline silver copper oxide films, studies on carbonyl derivatives, surface thermodynamic properties of drugs, studies on uprolides by metathesis approaches. The first year progress report has been submitted on the research work carriedout from August, 2011 to March, 2012; second year progress report has been complied from April, 2012 to March, 2013; third year progress report is under preparation.

So for the DST-PURSE Centre has conducted two day National Conference on “Biotic and Abiotic Molecules – their Health effects and Therapeutic applications(BAMHT) – 2012” from 24<sup>th</sup> to 25<sup>th</sup> February, 2012. Faculty, Scientists, Research Fellows and Students of various disciplines from all over India encompassing all fields of Biological, Physical and Pharmaceutical Sciences attended and presented their research activities related to the theme of the conference.

## 20. SLI-INTERNATIONAL WEBCASTING CENTRE:

### Department of Botany, S.V.University, Tirupati

SLI-International Webcasting Center, located in the Department of Botany, S.V.University, Tirupati was started under the Chairmanship of Prof. Georges St. Laurent, III, Research Director, SLI, USA and Prof. G. Sudarsanam, S.V.University as international Coordinator as a part of MoU signed between SLI and S.V.University.

## 21. Center for Intellectual property rights:

Intellectual property rights are like any other property right. They allow creators, or owners, of patents, trademarks or copyrighted works to benefit from their own work or investment in a creation. These rights are outlined in Article 27 of the Universal Declaration of Human Rights, which provides for the right to benefit from the protection of moral and material interests resulting from authorship of scientific, literary or artistic productions. The importance of intellectual property was first recognized in the Paris Convention for the Protection of Industrial Property (1883) and the Berne Convention for the Protection of Literary and Artistic Works (1886).

## 22. Research Centre for Neurological Disorders:

About the Centre: First of its kind in our campus established in the Department of Zoology on 8<sup>th</sup> May 2013 in order to promote extensive Research in the area of Neurological disorders and take the SV University to greater heights at both National and International level thus reflecting the research activities of SV University.

Programmes:

- a. Awareness programmes
  - b. Seminars
  - c. Workshops
  - d. Participation in community outreach Programmes
- In Association with  
Dr. B. Vengamma  
Director, SVIMS

2) Research Proposals to Funding agencies

3) Goal: Promotion of research in the area of Neurological Disorders.

4) Web Site: For recognition of research activities at National & International levels.

## 23. CENTRE FOR FUTURE STUDIES

The centre is planned as dynamic, comprehensive and holistic research and teaching centre in future studies. The Centre will undertake research projects and offer P.G., Research and diploma courses in Future Studies.

## SC / ST SPECIAL CELL

The Special Cell (SC/ST) was established during the year 1983-84 with financial assistance of the University Grants Commission, New Delhi for monitoring the implementation the Rule of Reservation policy for SCs/STs in the Universities and Colleges to collect data regarding the implementation of the Policies in respect of admissions, appointments to Teaching and Non-Teaching positions in the University.

## FUNCTIONS

1. To circulate Government of India and Commission's decisions to the concerned and to collect regular, information regarding course wise admissions to candidates belonging to the Scheduled Castes and Scheduled Tribes in the Universities and Colleges, as and when required by the Government.
2. To circulate Government of India orders and Commission's decisions and to collect information in respect of appointment, training of these Communities in Teaching and Non-Teaching posts in the Universities and Colleges.
3. To collect reports and information regarding the Government of India orders on the various aspects of education, training and employment of Scheduled Castes and Scheduled Tribes candidates, for evolving new policies or modifying existing policy.
4. To analyses the information so collected and prepare reports and digests and onward transmission to the Ministry of Human Resource Development / University Grants Commission and such other authorities as may be required.
5. To monitor the working of the Remedial Coaching Scheme, if approved in the affiliated colleges and University.

6. To function as a Grievances Redressal Cell for the grievances of SC/ST students and employees of the University and render them the necessary help in solving their academic as well as administrative problems.
7. Any other work assigned from time to time to promote higher education among these two communities suffering from economic, social and educational deprivations.

#### **OFFICERS MONITORING**

#### **APPOINTMENT OF LIAISON OFFICER FOR SC/ST SPECIAL CELL**

Dr. V. Gopi Naik, Assistant Professor Department of Geology, S.V.U. College of Sciences, Tirupati was appointed as Liaison Officer to special Cell (SC& ST) w.e.f. 17-08-2017.

Prof. Ch. Chengaiah, Dept. of EEE, S.V.U. College of Engineering was appointed as Secretary-cum-co-ordinator for Pre-Examination Training Center for Weaker Sections, S.V.University for a period of one year w.e.f. 14-02-2019.

#### **COMMITTEES/COMMISSIONS VISITED**

Dr.Karem Sivaji, Hon'ble Chairman, AP State Commission for SC & STs committee visited to S.V.University on 05-02-2019

The Special Cell also monitoring the Self Supporting Courses which are being offered at about 35 subjects at S.V.U. Colleges, Tirupati.

UGC under Merged/Schemes during XII Plan period for SC/ST/OBC/Minority students in S.V.U. Colleges.

### **DIRECTORATE OF DISTANCE EDUCATION:**

#### **SECTION - III**

The main objective of Distance Education is to “reach the un-reached”. Through Distance Education, we hope to provide all the need-based academic and vocational programmes at doorsteps of the students.

Sri Venkateswara University was established in 1954, is one of the three oldest Universities in Andhra Pradesh. The University is accredited by NAAC with ‘A+’ grade.

The Directorate of Distance Education came into existence in the year 1972 to extend the frontiers of academic excellence beyond its campus. The Institution has been making commendable strides in its service to the socially and educationally disadvantaged students of the society.

The Distance Education Bureau, University Grants Commission had accorded recognition to all the courses offered by D.D.E. under Category-I Higher Education Institutions.

8.15	Brief Report on the Alumni Association, its activities and contribution to the University

Sri Venkateswara University was founded in the temple town of Tirupati to cater the educational needs of backward Rayalaseema Region and Nellore District and was inaugurated by Sri Tanguturi Prakasam Panthulu and Sri Neelam Sanjiva Reddy, the then Chief Minister and Dy. Chief Minister of Andhra State respectively with six departments on 2nd September 1954. Dr. S. Govindarajulu was appointed as the first Vice-Chancellor. The first University convocation was held on 14 February 1958 and Sri Neelam Sanjiva Reddy, the then Chief Minister of Andhra Pradesh, was honoured with honorary doctorate (D.laws). The Old Students' Association (OSA) of S.V. University College which was founded in February 1958 by the first batch students (i.e. on the day of Convocation) has now been renamed as S.V. University Alumni Association (SVUAA) since July 2006.

The S.V.U. Alumni Association is not-for-profit organization and it is registered under Societies Registration Act, XXI of 1860 with registration no.474 of 2003. The Association has been granted tax exemption status u/s 12A of Income Tax Act,1961 and donations to the Association attract 50% tax relief u/s 80G of Income Tax Act.

The Primary purpose of S.V.U. Alumni Association is to engage in charitable and educational activities by raising funds for setting up Endowments, creating scholarships, alumni awards, and student merit prizes and extending financial and medical support to poor students, rewarding teaching and research and generally promoting the development of resources at S.V. University, Tirupati. SVU Alumni Association also aims to strengthen the ties, friendship and communications amongst former students, current students, faculty and friends of S.V. University. It provides a platform for people to stay connected with each other and S.V. University.

The activities of SVUAA at Tirupati are managed by the Executive Committee elected and/or nominated to a term of two years by the statutory body of the Association.

### **OBJECTIVES OF SVU ALUMNI ASSOCIATION:**

- to mobilize the synergy of the Alumni of SVU College by means of periodic meetings, publication of a newsletter and organizing various programmes for educational and socio-economic development.
- to organize Guest Lectures by eminent Scholars/Specialists in the disciplines concerned for dissemination of knowledge for the benefit of students, faculty and public.
- to mobilize necessary financial and material resources for instituting prizes and/or scholarships. Organizing endowment lectures, celebrating the University Founders' Day (2nd September), equipping the University Departments with adequate infrastructural facilities and other charitable works in commemoration of Sri T. Prakasam Panthulu and Sri N. Sanjiva Reddy, the founder-fathers of Sri Venkateswara University in the drought-stricken Rayalaseema region.
- to conduct extension activities using the services of the University faculty from the disciplines like Home Science, Adult Education, Geology, Sociology, Economics, Population Studies and those from the related Science Departments to arrange workshops, exhibitions and Science awareness Programmes to inculcate the spirit and enthusiasm and scholarship (talent) among school children as well as to foster awareness in the general public.

- to institute Prizes of Merit and Poor Student Scholarships to socially and economically disadvantaged students/persons.
- to extend medical and health assistance to the poor students in particular and poor people in general.
- to launch Programmes for dissemination of modern computer literacy and information technology among the rural school children/rural people.
- to construct a multipurpose function hall/conference hall for the purpose of conducting training programmes and conferences and organizing such other functions, besides meeting accommodation needs of resource persons, trainees or participants and members of SVUAA.

## SECTION – X

Brief report on Extension and outreach activities :-

Our college has NSS unit and we are conducting social activities through this unit. Swatch bharath was conducted in SV University. Hudhud donations was collected and sent to CM relief fund. Books, Pencils, Pens were also donated to the hudhud fatalities.

Blood donation campus was conducting every year on the birthday celebrations of Dr. Agarala Eswara Reddi. An order received from the SV University authorities to participate in United Andhra activities, our students enormously went and participated in these activities.

There was a programme called clean and green introduced by the chief minister of Andhra Pradesh. Our college students has participated in this programme and made success.

Dr. S. Janardana Reddy:

Seminars Attended/Paper Presented:

1. **S. Janardana Reddy (2019).** Presented a Paper "**Effect of Heptachlor on Biomarkers of Commercially available fish, Catla catla.**" In National Conference on Marine Pollution and Ecotoxicology: Strategies for Sustainable Ecosystem (MPESSE-2019) Organized by Department of Marine Biology, Vikrama Simhapuri University, Nellore, during 13-14 March, 2019.

2. **S. Janardana Reddy (2019):** Participated in **Three - day Training Programme on “Advanced Health Management Methods in Intensive *L. vannamei* Culture”** Organized by Fisheries Research Station, SVUU, Undi, West Godavari District, Andhra Pradesh, during 29-31 May, 2019.
3. **S. Janardana Reddy and B. Kiran Kumar (2019). Nanotechnology: Applications in Medicine and Drug Delivery - A Review.** IOSR Journal of Biotechnology and Biochemistry. Volume 5, Issue 1 (Jan-Feb, 2019), Version-1, pp. 4 - 20.ISSN: 2455-264X. IF: 3.98.
4. **S. Janardana Reddy (2018).** Presented a Paper “Effect of Different heavymetals on Haematology of *Catla catla*” in National Conference on **The current and Future Prospects of Animal Physiology and Biotechnology in Disease control in the Era of Interdisciplinary Ethnopharmacology: APBDCE-218**, Organized by Department of Zoology, Sri Venkateswara University, Tirupati, During **29-30 August,2018**.
5. **S. Janardana Reddy (2018).** Presented a Paper “Effect of *Bacillus subtilis*, A Probiotic Bacteria, on Growth and Survival of Shrimp *Litopenaeus vannamei*” in National Conference on **Innovative Research Trends in Drug Discovery**, Organized by Institute of Pharmaceutical Technology, Sri Padmavathi Mahila Visvavidyalayam, Tirupati, **during 21-22 March, 2018**.
6. **S. Janardana Reddy (2018).** Presented a Paper on “Recent Trends in Role of Probiotics in Aquaculture” in National Conference on Innovations and Future Challenges in Biotechnology (NCIFCB- 2018), Organized by Department of Biotechnology, Sri Venkateswara University, Tirupati, **during 26 - 28 March, 2018**.

**Dr. P. Naga Jyothi:**

**Seminars Attended/Paper Presented:**

- 1 Presented a paper on “Influence of water probiotics on growth performance of Catla catla fingerlings” in National Conference on Marine Pollution and Exotoxicology; Strategies for sustainable Ecosystem (MPESSE- 2019) held on 13th & 14th, March, 2019, Organized by Department of Marine Biology, Vikram Simhapuri University, Nellore.
- 2 Presented a paper on “Influence of Water probiotic on water quality and growth of Indian Major Carp Catla catla” in UGC – SAP sponsored National Conference on Innovations and New Horizons in Microbial Technology held on 6th & 7th March, 2019, Organized by Department of Applied Microbiology, Sri Padmavathi Mahila University, Tirupati.
- 3 Presented a paper on “Effect of water probiotic on water quality and growth of Indian Major Carp Catla catla” in National Seminar on Recent Advance in Materials and chemical sciences (RAMCS- 2019)held on 28th, March- 2019, Organized by Department of Chemistry, Sri Venkateswara University, Tirupati.
- 4 Presented A Paper on “Influence of Soil Probiotic on Water Quality and Soil Quality Maintenance and Growth of Fresh Water Fish Catla Catla” in the Andhra Pradesh Akademi of Sciences , Amaravati, Yogi Vemanna University, Kadapa, Andhra Pradesh Science Congress – 2018, held on 9-11th , November, 2018.
- 5 Presented A Paper On “Effect on water temperature on the growth performance and feed conversion ratio of Labeo Rohita ” in the National Conference on entitled The current and future prospects of Animal Physiology and Biotechnology in Disease control in the era of interdisciplinary ethnopharmacology (APBDCE- 2018) held on 29th & 30th August, 2018, at Department of Zoology, Sri Venkateswara University, Tirupati.

- 6 Presented A Paper On "Role Of Women In Aquaculture" In The National Conference Entitled Vocational Skills Training And Development In The Context Of Lifelong Learning Held On 20-21, April 2018 At Senate Hall , Sri Venkateswara University, Tirupati.
- 7 Oral Presented On "Influence Of Probiotics On Growth Performance And Enzyme Activities Of Fingerlings Of Labeo Rohita " Held On 26th -28th , March 2018 At department of biotechnology Sri Venkateswara University Tirupati In National Conference On Innovations And Future Challenges In Biotechnology.
- 8 Presented A Paper Entitled Effect Of Formulated Fed On Amylase Activity Of Fingerlings Of Fresh Water Fish Labeo Rohita In National Conference On Innovative Research Trends In Drug Discovery Held During 21st And 22nd March, 2018 At SPMVV, Tirupati.
- 9 Presented A Paper On" Role Of Women In Aquaculture" In The National Conference Entitled Vocational Skills Training And Development In The Context Of Lifelong Learning Held On 20-21, April 2018 At Senate Hall , Sri Venkateswara University, Tirupati.
- 10 Participated in the two week faculty development programme on entrepreneurship organized by S.V.Entrepreneurship development cell, Sri Venkateswara University, Tirupati, held on 10th june to 20th june 2018.
- 11 Participated in the two days National Conference on " The current and Future Prospects of Animal Physiology and Biotechnology in Disease control in the Era of interdisciplinary Ethnopharmacology", " APBDCE – 2018" during 29-30th, August, 2018 at Sri Venkateswara University, Tirupati.
- 12 Participated in the two days Science Academies Lecture workshop on " Advances in Mycology, Microbiology and Biotechnology" during 25th – 26th , October, 2018, at Organized by Department of Botany, Sri Venkateswara University, Tirupati.
- 13 Participated in the Three days works shops on "Massive Open Online Courses (MOOCs) organized by APSCHE in collaboration with APSSDC" during 31st, August, 2018 to 2nd September, 2018 at Acharya Nagarjuna University, Guntur.
- 14 Participated in the two week faculty "Development programme on entrepreneurship organized by S.V.Entrepreneurship development cell", Sri Venkateswara University, Tirupati, held on 10th june to 20th june 2018.

6. A Three day National Workshop on Industrial applications in Electrical Engineering under TEQIP 1.3 in SVU College of Engineering from 19- 21st July 2018

### **PROF. CH. CHENGAIAH**

#### **CONFERENCES**

8. P.Jyoshna, Ch.Chengaiah, Published a paper on “Transmission loss Allocation in Deregulated power system with optimal placement of TCSC Device using

optimization Algorithm” in Second International Conference on Research Trends in Engineering, Applied Science and Management(ICRTESM-2018) ON 23rd September-2018 in Osmania University, Hyderabad.

9. P.Jyosha, Ch.Chengaiah, Presented a paper on “comparision of optimal algorithms for reducing the transmission losses in deregulated power systems” accepted for IEEE ICECEIC conference on 30-31st January 2019(IEEE conference)
10. V. Balaraju, Dr. Ch.Chengaiah Paper “power loss analysis of solar PV array configuration under different shading conditions” accepted for ICARE-2019 august 22-24, VIT University, velluru
11. V. Balaraju, Dr. Ch.Chengaiah Presented a paper on “modelling and comparative analysis of solar PV array topologies under partial shading conditions” , ICSPECS-2019 held in GPREC Kurnool on 11-12 January 2019
12. V. Balaraju, Dr. Ch.Chengaiah Presented a paper on “Power enhancement of solar PV arrays under partial shading conditions with reconfiguration methods” , 2019 innovations in power and advanced computing technology( i-PACT), accepted for publishing IEEE explorer
13. V. Balaraju, Dr. Ch.Chengaiah Presented a paper on “modelling of solar PV array topologies under different partial shading conditions” , ICECEIC-2019, kanchipuram, accepted for publishing IEEE explorer
14. P.Jyosha, Ch.Chengaiah, Presented a paper on “transmission loss reduction and loss allocation in deregulated system” in the international conference on electrical sciences (ICES-2018) during august 10-11-2018 organized by Sastra university , Tanjavur.

## **SEMINARS/WORKSHOPS**

10. Participated in training program on “SAKSHAM – Teaching with Technology” in collaboration with Microsoft Education at SVU College of Engineering from 14-15, September 2018.
11. Organised A Two day Seminar on “ROLE OF DIGITAL TECHNOLOGY FOR NATIONAL DEVELOPMENT” organized by S.V.U.College of Engg, Tirupati during 26th to 27th October-2018 .

12. As a Dean, Student Career Development & Counselling (SCDC) of S.V.University organized a three day national workshop on “Industrial Applications of Electrical Engineering” on 19th - 21st, July 2018 at S.V.University.
13. As a Dean, Student Career Development & Counselling (SCDC) of S.V.University organized a two day seminar on “Role of Digital Technology for National Development” On 26th and 27th October, 2018 at S.V.University.
14. As a Dean, Student Career Development & Counselling (SCDC) of S.V.University organized an Essay writing Competition on “Eradicate corruption – Build a New India “on 2nd November-2018 at S.V.University.
15. As a Dean, Student Career Development & Counselling (SCDC) of S.V.University organized a Programme on “ Rural Electrification corporation “on 3rd November-2018 for III rd and IV- B.Tech Students of S.V.U.C.E, at S.V.University.
16. As a Dean, Student Career Development & Counselling (SCDC) of S.V.University organized a Programme on “Unleash the Power of Mind and power of Habits” for Ist year B.Tech Students of S.V.U.C.E, on 3rd November-2018 at S.V.University.
17. As a Dean, Student Career Development & Counselling (SCDC) of S.V.University organized a Programme on “Unleash the Power of Mind” for 2nd year B.Tech Students of S.V.U.C.E, on 3rd November-2018 at S.V.University.
18. Organised A Three day National Workshop on Industrial applications in Electrical Engineering under TEQIP 1.3 in SVU College of Engineering from 19- 21st July 2018

### **PROF.T.GOWRI MANOHAR**

### **CONFERENCES**

1. Suresh, P., and T. Gowri Manohar. "Effective Renewable Source Integration using Unified Power Quality Conditioner with Power Quality Enhancement in Three Phase System,UTP-UMP-VIT Symposium on Energy Systems 2018,VIT University ,Vellore.

2. Suresh, P., and T. Gowri Manohar "Mitigation of Voltage Disturbances in PV Interconnected Grid Using ANFIS Based Dynamic Voltage Restorer "The Springer International Conference on Cognitive Informatics & Soft Computing (CISC-2019) AITS, Rajampet.
3. Suresh. Pand Dr. T.Gowri Manohar, "Power Quality Augmentation In A Three Phase Photovoltaic Coherent System Using Adaptive Hysteresis d-q Controller" in 201911th International Exergy, Energy and Environment Symposium (IEEES-11) July-2019 SRM University

## **SEMINARS/WORKSHOPS**

4. Participated in training program on "SAKSHAM – Teaching with Technology" in collaboration with Microsoft Education at SVU College of Engineering from 14-15, September 2018.
5. A Two day Seminar on " ROLE OF DIGITAL TECHNOLOGY FOR NATIONAL DEVELOPMENT" organized by S.V.U.College of Engg, Tirupati during 26th to 27th October-2018 .
6. Three day workshop on Industrial Applications of Electrical Engineering during 19– 21 July 2018.
7. IEI Sponsored one day workshop on Entrepreneurship in Electrical Engineering on 24- 10-2018.
8. A Three day National Workshop on Industrial applications in Electrical Engineering under TEQIP 1.3 in SVU College of Engineering from 19- 21st July 2018.

**DR.V.USHA REDDY****SEMINARS/WORKSHOPS**

1. Three day workshop on Industrial Applications of Electrical Engineering during 19 – 21<sup>st</sup> July 2018
2. A three day workshop on massive open online courses organized by APSCHE&APSSDC at ANU from 31st august to 2nd September 2018
3. Participated in training program on “SAKSHAM – Teaching with Technology” in collaboration with Microsoft Education at SVU College of Engineering from 14-15, September 2018.
4. A Two day Seminar on “ ROLE OF DIGITAL TECHNOLOGY FOR NATIONAL DEVELOPMENT” organized by S.V.U. College of Engg, Tirupati during 26th to 27th October-2018.
5. A Three day National Workshop on Industrial applications in Electrical Engineering under TEQIP 1.3 in SVU College of Engineering from 19- 21st July 2018

**Dr. J.N. CHANDRA SEKHAR****SEMINARS/WORKSHOPS**

4. Participated in training program on “SAKSHAM – Teaching with Technology” in collaboration with Microsoft Education at SVU College of Engineering from 14-15, September 2018.
5. A Two day Seminar on “ ROLE OF DIGITAL TECHNOLOGY FOR NATIONAL DEVELOPMENT” organized by S.V.U.College of Engg, Tirupati during 26th to 27th October-2018 .
